

**An Important Message from
The Texas Health and Human Services Commission (HHSC)**

**Enfamil Reguline 12.4 oz Powder Limited Availability in Retail Stores
Until Mid-July 2024**

Background:

HHSC has been informed by Mead Johnson, maker of Enfamil products, that Enfamil Reguline 12.4 oz powder may have limited availability in some retail stores until mid-July 2024.

Key Details:

HHSC State Formula Team contact information:

- Email: FormulaTeam@hhs.texas.gov.

Recommendations:

If a WIC participant has difficulty finding Enfamil Reguline 12.4 oz powder due to unavailability at the store, please encourage them to contact their local WIC clinic. WIC staff can offer to change formula benefits to another available WIC contract formula, such as Enfamil Gentlease. WIC clients can also choose to contact their Health Care Provider to discuss other therapeutic formula options, such as Nutramigen or Alimentum.
