Effective Jan. 1, 2025

UnitedHealthcare offers a Medicare Advantage plan in your area known as UHC Dual Complete TX-V010 (HMO-POS D-SNP). It is a Dual Special Needs Plan (D-SNP) for individuals who are eligible for both Medicaid and Medicare.

UnitedHealthcare Community Plan of Texas manages the Medicare Advantage benefits and reimburses you according to your existing contracted rates.

Eligibility and benefits

Q. Who is eligible to participate in the plan?

A. D-SNP eligible members can include individuals with income and special needs qualifications, ages 65 and older, and people with special needs who are younger than 65. Individuals must qualify for Medicaid and Medicare separately. While most qualify for Medicare once they reach 65, some younger adults with special needs may also qualify.

Q. How can I check eligibility?

A. Always verify eligibility before providing services to a plan enrollee. You can check eligibility and benefits by:

- Using the Eligibility and Benefits tools on the UnitedHealthcare Provider Portal. To sign in, go to **UHCprovider.com** and click on the “Sign In” button in the top-right corner. Then, click on Eligibility. If you haven’t registered for the portal yet, go to **UHCprovider.com/newuser**.
- Calling Provider Services at **1-800-550-7691**
- Asking for health plan ID cards at each visit, including both primary and secondary cards e.g., Medicaid

We’ve included an example of the UnitedHealthcare UCard to help you identify these enrollees. Please always refer to their active ID card for current details.

Q. Are referrals required for the plan?

A. Referrals are normally not required if the enrollee seeks in-network care. Plan benefits allow enrollees to decide who they wish to visit for their care. Please check eligibility and benefits prior to providing services.

Key points

UHC Dual Complete TX-V010 (HMO-POS D-SNP) is a **Medicare Advantage** plan.

See service area county list located on last page.

Q. What are the advantages of the plan?

A. Enrollees can continue to access core Medicare benefits along with Part D (pharmacy) benefits and targeted clinical programs and services. Additionally, the plan offers supplemental benefits and services that are not typically available through Original Medicare or Medicaid.

Q. How can an individual enroll in a Dual Special Needs Plan?

A. Prospective members can explore their options by visiting uhcommunityplan.com/TX or speaking to a licensed sales agent or during the Annual Enrollment Period, Oct. 15–Dec. 7. In addition, special election periods are available for dually eligible individuals.

1) The dual/LIS SEP1 will allow full-benefit dually eligible individuals (QMB+, SLMB+, FBDE), partial-benefit dually eligible individuals (QMB, SLMB, QI, QDWI), and Extra Help-only eligible individuals to make a once-per-month election into Original Medicare and a standalone prescription drug plan (PDP). It will also allow a once-per-month election to switch between standalone PDPs. This replaces the quarterly dual/LIS SEP.

2) The integrated care SEP will allow full-benefit dually eligible individuals (QMB+, SLMB+, FBDE) a once-per-month election into a fully integrated dual-eligible special needs plan (FIDE SNP), highly integrated dual-eligible special needs plan (HIDE SNP) or an applicable integrated plan (AIP). It must be used to align enrollment with an integrated Dual Special Needs Plan (D-SNP) and Medicaid managed care organization (MCO).

Care provider reimbursement

Q. How will I be reimbursed for the UHC Dual Complete TX-V010 (HMO-POS D-SNP) plan?

A. Administrative services and payment of Medicare-covered and supplemental are managed by the affiliate for claims submission found on the enrollee's ID card. We will reimburse your Medicare services according to your existing Medicare Advantage contracted rates. Since these enrollees are dually eligible for Medicare and Medicaid, they'll have Medicaid as their secondary payer in Texas. Medicare cost-sharing includes the deductibles, coinsurance and copays included as part of Medicare Advantage benefit plans.

Full Dual Eligible: Health care professionals may not attempt to collect additional reimbursement from DSNP enrollees whose Medicaid benefits cover all Medicare cost-sharing components. Fully dual-eligible enrollees are not responsible for Medicare cost-sharing under CMS regulations.

Partial Dual Eligible: This plan may include partial dual-eligible members. For partial dual-eligible members, care providers may seek the remaining reimbursement, up to the Medicaid allowable amount, as documented in the provider remittance advice (PRA) for the Medicare payment of eligible services. Reminder: Always validate. Medicaid benefits and cost-share responsibilities for partial dual members with Texas Medicaid.

Q. As a health care professional, do I need to be enrolled in Medicaid to receive the remaining reimbursement?

A. At a minimum, you are required to enroll or register with the state Medicaid plan for Medicare secondary cost-share billing purposes. Depending on the service and covered benefit level, many D-SNP care providers will be required to submit a secondary claim to Medicaid if there is deductible, copayment or coinsurance amount that is the responsibility of the Medicaid payer to cover. This will depend on the enrollee's Medicaid eligibility levels. This may require registering for a care provider Medicaid ID number for reimbursement. If you decide not to enroll or re-enroll with the state Medicaid program, you'll give up your ability to seek the secondary payer reimbursement for a dual-eligible enrollee.
