## How Optum Pay works

### Optum Pay is secure, convenient and easy to use

- **Choose access levels.** Your practice's banking information is secure — you choose the access level for your office staff.
- **Get notified.** You'll receive an email notification on the day a claim payment is deposited into your account.
- **Log in.** Access the Optum Pay site through [spectera.com](https://spectera.com). No additional passwords or usernames are required.
- **Reconcile payments.** Locate and reconcile your claims payments and remittance advices using online tools available through Optum Pay.
- **Deposit-only transactions.** We're only authorized to deposit claims payments via Optum Pay — you will not experience any withdrawals.
